At Rits Capital, we strive to provide top-tier services through our Smart Model Portfolio plans, including Basic, Premium, and Enterprise options. Please note the following important points regarding our cancellation and refund policy:

**No Cancellation After Payment:** Once payment for any of our plans is made, the service is activated immediately, and there is no option to cancel the subscription or service.

**No Refunds:** Payments made towards any of our Smart Model Portfolio plans are non-refundable. This applies to all subscription types, including Basic, Premium, and Enterprise plans. Once the payment is processed, we cannot issue any refunds, whether for partial or full services.
